Foreword

As we reflect upon the prior year, the Baker City Police Department is especially honored and grateful to tip our hats to the top sponsors of the BCPD K9 Drug Prevention Fundraiser who, because of their unfailing support, helped to raise over \$30,000.00 for the BCPD K9 Program and drug prevention efforts in our community.

Message From the Chief

On behalf of the men and women of the Baker City Police Department, I want to welcome you to our 2017 Annual Report.

The fifteen men and three women, who make up our paid staff, are dedicated professionals who are honored to serve our great community. We hope that you find this report informative and that it will give you an insight into the service we have provided to our community this past year.

The Baker City Police Department (BCPD) is the only law enforcement agency within the 3088 square miles of Baker County to have 24 hour per day staffing, every day of the year.

Our primary commitment to our community is to have patrol staff available to respond to the needs of our citizens at any time of the day or night.

This past year, we dedicated considerable overtime hours to narcotics enforcement. We saw our Reserve Program continue to save our community thousands of dollars while providing a high level of service and we saw our Citizen on Patrol Program continue to serve the department and our community in many ways. Our enhanced efforts to improve livability through

code enforcement efforts have proven to be challenging, but rewarding on many occasions. Our code enforcement officer is easily the busiest employee working for the citizens of Baker City.

This coming year, two of our top goals will be to continue focusing strong efforts on drug-related crimes and to continue addressing the various livability issues with code enforcement. We have been grateful of our supportive community throughout 2017 and are hopeful that 2018 will be another great year for our department and the community we serve.

Personnel –The Men and

In 2017, the Baker City Police Department had two staffing changes.

Officer Dan Vile, a recent retiree from California with a vast law enforcement career spanning four decades came to the Baker City Police Department for a brief period before retiring permanently and moving to the Salem area to be closer to family.

Following the departure of Officer Vile, the Department successfully recruited and hired Officer Michael Durr. Michael Durr, originally from John Day, began his law enforcement career with the Oregon State Police Department and most recently, brings his extensive experience working in a small town, rural area as a former John Day Police Department patrol officer. We welcome Officer Durr and look forward to his contribution the Department and the citizens of Baker City.

In the course of his duties, Officer Blake Hawkins was recognized for his actions on June 5, 2017, when he went into a smoke -filled room and assisted a disabled citizen out of the burning apartment complex at 1490 Resort Street in Baker City.

Officer Hawkins received the Medal of Valor presented by the Oregon Peace Officers' Association. Officer Hawkins was nominated for the award by Sergeant Wayne Chastain, after details of Officer Hawkins actions were brought to the attention of the department by Officer Hawkins' partner, Officer Chris Sells, and Baker City citizens who were also on scene at the fire.

Officer Hawkins said that although he is "very appreciative of the award, he feels that he was just doing his job." He feels that "police officers are often put into extraordinary circumstances that necessitate immediate action and that this was no different for him."

- National Drug Take Back events held at the police department.
- National Night Out event held at the Geiser –Pollman Park.
- Annual BCPD K9 Drug Prevention Fundraiser.
- Solar eclipse related activities and duties.

Reserve officers are required to volunteer twelve hours per month and in 2017, total hours equaled 1,361 or 181.46 hours per reserve officer. At the median salary rate for an officer at \$28.49 per hour, less benefits, this represents a realized value of \$38,774.89 to

the City of Baker City and the Baker City Police Department. Since the inception of the reserve program, reserve officers have donated enough volunteer hours to nearly equate to a quarter of a million dollars in sworn officer's median salary.

Goals for the Reserve Program for 2018 include continuing to expand the experience and expertise of the reserves through patrol assignments; develop the capability of conducting surveillance and intelligence gathering on narcotic/drug-related cases in concert with sworn personnel; continue to meet all mandatory department training requirements and complete at

least one optional training each month; continue outreach to the community, particularly in the schools and with youth groups, and through the expansion of the Bicycle Patrol Program; and remain flexible and available to BCPD staff for urgent call outs, providing assistance no matter the time of day or night.

It is the overall goal of the reserve officers to continue to make a positive contribution to the Baker City Police Department and to the citizens of Baker City. Currently, several applicants are working through the application process and if accepted, will be trained and made available to assist in all the ways our current reserve officers contribute to the success of the program.

Citizens On Patrol (COPs)

The COPs (Citizens on Patrol) program features volunteers from various walks of life who assist the Department in a variety of ways.

This past year has been a busy one for the COPs (Citizens on Patrol).

They were present in the park during community events. They manned the newly remodeled outbuilding where they greeted park-goers, handing out stickers, coloring books and crayons, informational brochures, and other information. Moving forward, the COPs hope to have the Child Identification Program up and running, providing parents with a copy of their child's fingerprints to keep on file.

Other events and activities COPs assisted with included:

- * Delivered stuffed Easter Eggs for the Annual Easter Egg hunt.
- * Patrolled the Geiser-Pollman Park during the annual Easter Egg Hunt.
- * Participated in National Night Out.
- * Served lunches at two elementary schools.
- * Patrolled Main Street during the Downtown Halloween Trick-or-treat event.
- * Participated in the Christmas Twilight Parade with the COP car as an entry.

Women Who Serve

At the end of 2017, the NEO Regional SWAT Team was staffed by 33 operational members. Membership is comprised of personnel from four law enforcement agencies, two fire departments and one dispatch center. The participating agencies are the Baker City Police Department, Baker County Sheriff's Office, La Grande Police Department, Union County Sheriff's Office, Baker City Fire Department, La Grande Fire Department and Baker County Consolidated Dispatch.

There are four individual elements within the team structure: Tactical, TEMS (Tactical Emergency Medical Services, CNT (Crisis Negotiations Team) and Support.

The four elements collectively make up the team. Baker City Police Department is represented by three members, two that serve as tactical and one that serves as a member of the CNT team.

The team was not called upon for any operational deployments during 2017. The lack of a need to activate SWAT during the past year is excellent for our communities; however, requires steadfast dedication on the part of the team in order to maintain operational readiness. High risk, low frequency, police functions (such as SWAT) demand frequent, relevant and quality training to maintain proficiency.

During this past year, NEO

Northeast Oregon SWAT

Regional SWAT has made a dedicated effort to work on attrition planning within the leadership and command structure of the team. A number of command responsibilities were shared with subordinate leadership, with the intent of providing training and mentoring opportunities for the future leadership of the team to ensure that NEO Regional SWAT is a viable asset for all partnering agencies, well into the future.

NEO Regional SWAT has been operational for 5.5 years. The men and women, from their collective agencies, continue to be the team's most valuable asset. These members represent a collection of the most capable and experienced public safety employees from Baker and Union Counties.

PROPERTY MAINTENANCE

Crime prevention specialists know that property neglect sends a negative message which perpetuates further decay, lowers property values, and attracts the criminal element.

Intervention through partnerships within the community, local law enforcement and fire safety officers, are a golden opportunity to build long-term relationships while educating residents, ensuring property code compliance, and helping individuals in need of assistance. We feel this is especially true today and this is reflected in our vision for code enforcement which is to optimize all available resources in order to foster positive relationships with Baker City's community residents and local businesses.

Some notable cases opened in 2017:

- * 25 Property Maintenance cases with 19 cases resolved, including 23 citations issued for Nuisances Affecting the Public and one property abated through court order .
- * Citations issued for parking violations went from 172 issued in 2016 to 332 issued in 2017, an increase of 52%. In addition, citations involving Unlawful Storage of Dismantled Vehicles and/or Storage of Vehicles on Private Property increased from 19 issued in 2016 to 34 issued in 2017.

Training –What It Takes

Receiving quality, updated training is an extremely important facet of providing a competent law enforcement agency to the community they serve. Laws, and especially the interpretations of these laws, routinely change as technology, weaponry and various threats evolve in our society. In addition, police are required to complete certain amounts and types of training just to receive and maintain their certifications. These facts combine to make training one of the most critical needs we have.

(A variety of officer safety, OSHA and policy updates are required each year which is in addition to the special trainings listed below.)

- * BCPD personnel trained on the MILO Use of Force simulator, provided by DPSST.
- * Lt. Newman started a "Train the Trainer" course on preventing police suicide and other topics surrounding officer wellness, taught by Robert Douglas of the Police Suicide Foundation
- * Sergeant Regan's patrol team completed range training, where officers qualified with rifles, handguns and bean bag shotgun
- * BCPD personnel attended *The Thin Blue Lifeline: Tactical Verbal De-escalation of People*

Experiencing A Mental Health Crisis presented by Ellis Amdur, M.A.

Investigations

The community of Baker City is fortunate to harbor a very safe environment, free from many of the daily acts of violence that occur in larger communities and even in many smaller communities throughout our state and nation. However, that does not mean that we are completely void of violent acts, drug abuse or complicated fraud crimes. And as with most cities, we have seen a steady rise in drug abuse.

Methamphetamine use continues to rise with adults and the number of citations we have written for Minor in Possession of Marijuana climbed another 23% last year, making an 82% increase since the legalization of Marijuana for adults.

This past year we reached full staffing and were able to add back the second investigations position, with a primary focus on narcotics enforcement. Detective Daniel Pelayo will work closely with patrol staff, our drug canine unit and his supervisors to provide the highest level of narcotics enforcement he possible can to effect positive change in our community through drug enforcement.

Our second full-time detective (Jay Lohner) is an active member of the Baker County Major Crime Team, which is called upon to investigate most major felonies and other cases that require significant manpower throughout Baker County. Along with our detectives, this team is comprised of members of the Oregon State Police and the Baker County Sheriff's Office. In addition to Detective Lohner, Detective Pelayo and Patrol Officer Shannon Regan are members of this team.

A few of the more notable cases from 2017 include:

- * A Baker City man was arrested for Assault in the 1st degree and other charges, after he repeatedly stabbed another Baker City man who had to be flown to Boise with life-threatening injuries.
- * Four Baker City individuals were arrested subsequent to a search warrant that was served at 2175 Clark Street in Baker City. Drugs, paraphernalia and firearms were seized during the search. Subsequently, officers served an additional warrant on an associated vehicle and an additional 9 grams of Methamphetamine and a .40 caliber handgun were seized.
- * A Baker City man was arrested and charged for

possession of approximately 50 grams of Methamphetamine, subsequent to a search warrant served on a backpack of his that was seized following a vehicle pursuit and drug canine sniff.

- * A Baker City man, who had previously, spent time in prison for shooting another man, was located and arrested for a fugitive warrant. This suspect had vowed to shoot it out with police, but was taken into custody without violence and while in possession of a firearm.
- * Two individuals from Lake County, two from Klamath County and one from Marion County were arrested on warrants and parole violations after they were discovered in a Baker City motel.
- * Baker City Drug Detection Dog "Capa" was utilized on numerous interdictions and search warrants, where Methamphetamine, Heroin, weapons and firearms were seized.
- * Sadly, reports of sex abuse, elder abuse and infant deaths continue to keep our investigators busy, along with investigating complex fraud cases and assisting with patrol officers.

Statistics

Crime rates for the most part are cyclical and will vary based on numerous factors which relate to demographic and economic factors, but also, the criminal justice systems as a whole. Any breakdown in this system can have a startling impact on the types of crimes a particular community might encounter. An additional factor in small communities with low crime rates, such as Baker City, is "spree crimes." One individual or group, participating in a criminal spree such as multiple burglaries committed in private homes or businesses, can greatly affect the statistics.

This year has seen a dramatic increase in Minor's in Possession of Marijuana, which is a direct result of the legalization of Marijuana in Oregon. Fortunately, our community does not have dispensaries, which would most likely makes those numbers climb even higher.

For further details of these cases and others, please see the itemized statistical list of incidents our officers have addressed this past year.

Notable statistics for 2017 reflect the following increases and/or decreases when compared with 2016:

- * Overall arrests reflected a small decrease, 84 fewer arrests, from **1003** in 2016 to **916** in 2017. Arrests for Assault IV Domestic more than doubled, from **14** in 2016 to **31** in 2017, accounting for **3%** of all arrests. Arrests for Assault in the First Degree saw no change, while arrests for Assault in the Second Degree went from just **1** arrest in 2016 to **4** in 2017, an increase of **75%**.
- * Overall citations issued remained virtually unchanged from 2016. Certain non-traffic related offenses such as citations issued for Minor in Possession (MIP) of Marijuana, with **17** in 2016, realized a steady climb in 2017 with **22** citations issued, an **23%** increase.
- * The total number of traffic warnings issued reflected a **22%** increase over the previous year with **1,950** given in 2017, up from **1,599** in 2016.
